

Přečtěte si článek o neobvyklých přátelstvích z říše zvířat.

Třídy: 2.A, 3.A

1. Na základě textu **vyberte** k úlohám **50-64**

vždy jednu správnou odpověď **A-C**.

2. úkol - první část (do věty 58 včetně) přeložte

Unusual animal friendships

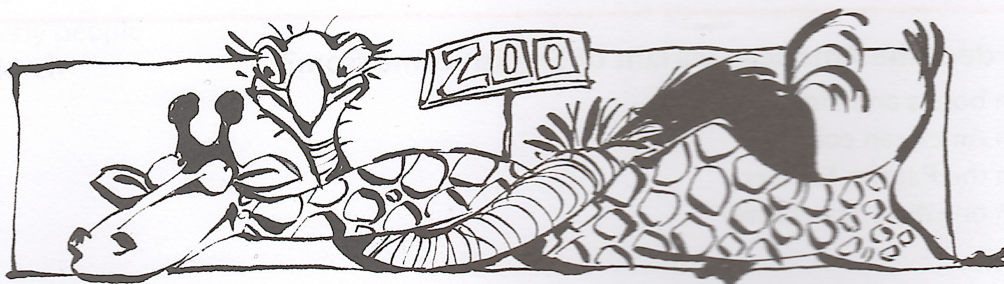

There are some (50) _____ out there that still believe that animals are just silly beasts, but the unlikely animal friendships (51) _____ you about here will prove that they are able to feel love and sympathy just like we (52) _____.

Read some heartbreaking stories and use your fantasy. Do the animals (53) _____ you of somebody you have known? Why did these animals form their friendships? Some of them, like the lions, dogs and elephants, (54) _____ for forming strong social relationships or even networks in the wild. In the absence of other animals like them, it makes sense that they would (55) _____ social relationships outside of their own species. (56) _____ more solitary animals may form a parent-child relationship with animals that they spend time with or that helped raise them, (57) _____ if their own parents died.

Whatever the reason may be, unusual friendships like (58) _____ show that animals may be far more emotionally complex than many of us believe. Maybe these friendships aren't so unusual after all!

Bea the giraffe and Wilma the ostrich

Bea and Wilma (59) _____ great friends during their time together at Busch Gardens in the US. The two share a huge 65-acre fenced area, so they aren't forced to spend time together - they (60) _____ because they want to.

Torque the dog and Shrek the owl

Six-month-old Torque the dog adopted Shrek the owl chick. Shrek was removed from his mother's care because handlers¹ were afraid that she might eat him (61) _____ stressed. He's doing great now, and the two have become inseparable pals².

Tiger, bear and lion

The tale of Shere Khan the tiger, Baloo the bear and Leo the lion is really touching. The three of (62) _____ were rescued together from a drug dealer who had abused them extensively. Baloo even needed surgery because of his former handler's bad treatment. Because of what they've suffered together, (63) _____ friends are inseparable now. They are under the care of the Noah's Ark Animal Sanctuary³ in (64) _____ US.

¹ handler: trenér/ka, opatrovatel/ka; ² inseparable pals: nerozluční kamarádi; ³ sanctuary: azyl, (zde) útulek
